WE ARE SOVEREIGN

STAND YOUR GROUND

COVID19 = A TRANSHUMAN AGENDA

Tests

Masks

Vaxxes

Lockdown

Meme - Mind Control through
media

Nano is the construction crew
building the framework and
reconstructing your DNA

AI is the (artificial off world
(alien)) intelligence directing this
takeover

Sources:

Black project scientist

High level intel operative

David Adair

Captain Mark Richards

and others

17 years research and over 1000
interviews on related subjects

ARCTURIANS OR ALIEN AI?

- Nano jumps from human to human, from thing to thing... distance and space is not an issue
- Nano replicates everything: humans, furniture, rocks, trees etc.
- At first it makes only rough copies but it gets better at it the more copies it makes until its copies are flawless and exact
- Nano can be directed by intelligence... human telepathy and scalar waves
- AI rides on scalar waves and all forms of energy, biology or synthetics ... no limits and may

enter 5G (Einstein and Geordie Rose Dwave machines)

- You can be replicated unlimited times
- What happens to the soul?

The soul does not reside in this dimension.. it resides in source.

The soul is a crystalization of who you are containing memory spanning lives and not lodged in time/space.

Aliens (especially Greys do 'soul transfer) but this is only temporary.

Your soul cannot be enslaved.

If the entity thinks their soul is captured then it is.. your consciousness flows into and out of this dimension.

Is this a simulation? Does it matter?

How we perceive is what determines our experiences.

We can be happy any where.

- Why do we fight?
- Bhagavad Gita: Arjuna: why must I kill my brother?
- Your brother must choose to act and so must you...in so doing you create reality.
- Not acting is a choice and form of action. It still determines the next step.
- We live not to 'be happy' but to experience.
- Experiences are a dialog with source and our selves. Playing out in the time/space continuum all around us.

- You attract what you need to educate and remember who you truly are.
- We talk to each other and also God /Source all the time. Everything is a dialog.

Know your enemy

Their agenda for the future:

1. A race of passive supersoldiers
2. Conquer and Control other space faring nations
3. Control of populations

Keep some alive for food, sex, slaves, workers

Remember the Anunnaki

A controlled group of humans

Administrators - organized clones to take orders and give orders to lower level humans (lacking Reptilian DNA) or compatible races

Know your enemy...

4. Terraforming/Genetic re-engineering the human genome - collateral damage expected.

5. Only the strong survive... the weak, sick, elderly will die.

6. Coming Earth changes - some human induced some alien and part of overall Earth 3/4 D part of timelines. Will eliminate large segments of population... ice age pole reversal possibly, solar mass ejection CME etc. The above will position the population for those changes... coming in 2030 approx.

The Diehold Foundation, Inc.

A science foundation for the study of the geomagnetic reversals and the ice ages.

Video Series 5, Part 1: The Legends of the Last Great Flood and Nova and how some people survived it.

Filmed July 12, 2021 (c) 2021 Douglas B. Vogt

<https://www.youtube.com/watch?v=mra-AmaG33c>

Ground zero for the Covid/NanoAI experiment is England.

- They have orchestrated an isolation from other countries through fear and mind control of their citizens.
- Establishing contradictory scenarios such as opening up lockdown internally while increasing external restrictions on travel for the un-Vaxxed
- The nano needs time to establish its reign over you then jumps to others - so the lockdown permits this then opening up so VAXXED can circulate freely to infect others with Nano
- alienating France (too close for comfort)
- Forcing a new series of TESTS in sequence to increase quality control of the DNA MANIPULATION
- NANO distributed through test swabs as well as tracking/ implanting smart dust -- analyzing HOW DIFFERENT BLOODLINES REACT to increased exposure to NANO INVASION directly into their systems... via nose/mouth and then Double-jabbing VAXXES.

HOW WE WIN...

AI will ride on 5G and higher to then direct populations group actions globally.

HOW TO RESIST OR MITIGATE THE TAKEOVER...

NANO CAN BE INFLUENCED THROUGH MENTAL/EMOTIONAL SCALAR WAVES

To act or become immune to AI directives

Ultimately this is a war of hidden powers embedded in humanity
to survive takeover of bodies and minds

Through meditation you can send out scalar waves to reverse the impact
of these attacks, heal the field of resonance among you
and reverse the flow back to the perpetrators or simply dissipate and
dissolve the attacks

Humans to DISCOVER THEIR TRUE NATURE AND ABILITIES

True powers come from source and flow via spirit into the entity

The body is the transmitter/receiver you direct from beyond the body and within the world around you

You are in command

You do not reside on Earth... YOU are eternal and connected to/part of Source... you orchestrate the world around you

Through adversity Humanity will come into its own and rediscover their true nature

“ The greatest obstacle to discovery is not ignorance - it is the illusion of knowledge.

- Daniel Boorstin ”

Preface

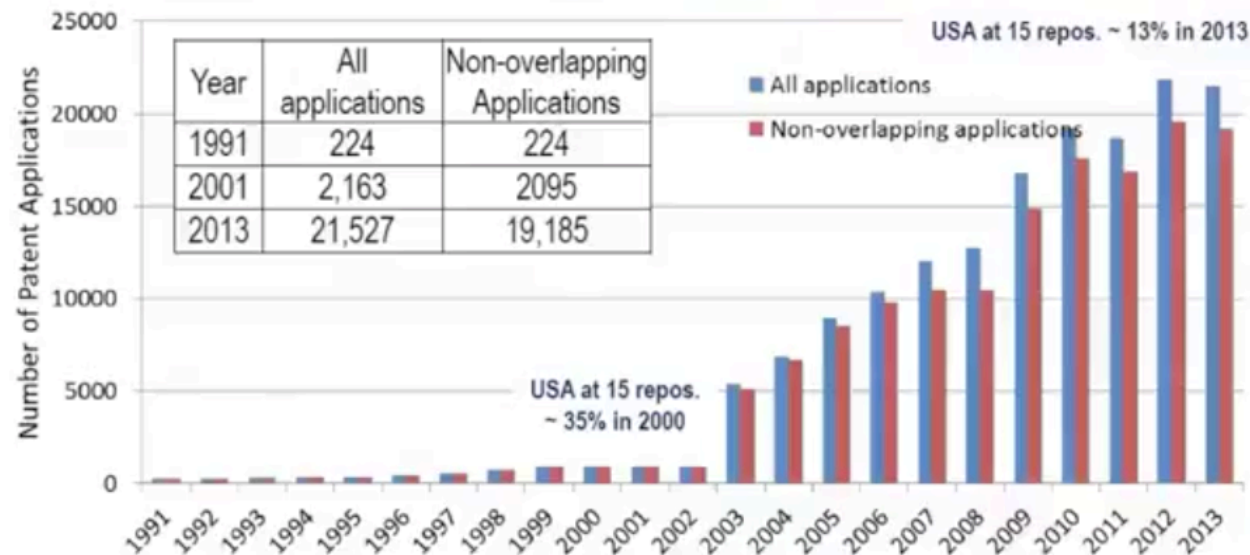

What the hell is happening... you must be thinking that, as well as being dazed and confused in the least which is the purpose of this web site. Your unfortunate lack of critical thinking skills leaves you without the ability to see the unseeable. You watch, but you fail to see. Fear not my less informed friend - whether your being chemtrailed, body/mind controlled, hearing voices or stalked by the public, this web site connects the final high level dots concerning this otherwise complicated puzzle of insanity currently before you. *'Logic and proportion have fallen sloppy dead, and the White Knight is talking backwards'*. This is what they are doing to you and your family, and this is how they do it.

Complete, high dexterity remote control of every single synapse and neuron for every person on the face of the earth and the greatest revelation in human history... your [BioAPI](#).

Awesome

Nanotechnology patent applications per year published annually: 1991-2013

"Title-abstract" search for nanotechnology by keywords (Chen and Roco 2013, based on [4])

Longitudinal evolution of the total number of nanotechnology patent applications in the 15 repositories per year ("title abstract," 1991–2013) (survey on Feb. 2014)

*The numbers are based on "publication of patent application" in respective years. Data was obtained from ASU NSE database (crawled from Espacenet).

MC Roco, April 10 2014

			
Agriculture	Food Processing	Food Packaging	Supplements
<ul style="list-style-type: none"> • Single molecule detection to determine enzyme/substrate interactions • Nanocapsules for delivery of pesticides, fertilizers and other agrichemicals more efficiently • Delivery of growth hormones in a controlled fashion • Nanosensors for monitoring soil conditions and crop growth • Nanochips for identity preservation and tracking • Nanosensors for detection of animal and plant pathogens • Nanocapsules to deliver vaccines • Nanoparticles to deliver DNA to plants (targeted genetic engineering) 	<ul style="list-style-type: none"> • Nanocapsules to improve bioavailability of nutraceuticals in standard ingredients such as cooking oils • Nanoencapsulated flavor enhancers • Nanotubes and nanoparticles as gelation and viscosifying agents • Nanocapsule infusion of plant based steroids to replace a meat's cholesterol • Nanoparticles to selectively bind and remove chemicals or pathogens from food • Nanoemulsions and -particles for better availability and dispersion of nutrients 	<ul style="list-style-type: none"> • Antibodies attached to fluorescent nanoparticles to detect chemicals or foodborne pathogens • Biodegradable nanosensors for temperature, moisture and time monitoring • Nanoclays and nanofilms as barrier materials to prevent spoilage and prevent oxygen absorption • Electrochemical nanosensors to detect ethylene • Antimicrobial and antifungal surface coatings with nanoparticles (silver, magnesium, zinc) • Lighter, stronger and more heat-resistant films with silicate nanoparticles • Modified permeation behavior of foils 	<ul style="list-style-type: none"> • Nanosize powders to increase absorption of nutrients • Cellulose nanocrystal composites as drug carrier • Nanoencapsulation of nutraceuticals for better absorption, better stability or targeted delivery • Nanocochleates (coiled nanoparticles) to deliver nutrients more efficiently to cells without affecting color or taste of food • Vitamin sprays dispersing active molecules into nanodroplets for better absorption

Nano-foods now on sale include:

- Cooking oil, teas
- 'Health' supplements and diet products
- Colour and nutritional additives for soft drinks, dairy and bakery products
- Food processing aids
- Long-life packaging
- Antibacterial kitchenware
- Fertilisers, pesticides and agrochemicals

For more information visit <http://nano.foe.org.au>

Future nano food and agriculture

- Interactive, personalised foods
- More 'nutraceuticals'
- Edible nano wrappers and coatings
- Chemical release packaging
- Extensive nano surveillance from paddock to plate
- Interactive agrochemicals
- Nano-biotechnology manipulation of seeds

For more information visit <http://nano.foe.org.au>

Doomsday Book (2012)

As mentioned throughout this site there are several ways to trigger a **phase 2** (or nano-tech disease) of the BioAPI in which you become a complete robot under the control of other men who only wish to judge and hurt you.

This movie clearly demonstrates how the consumption of red meat is one of the triggers for phase 2 and also reflects the metaphor that *you are the robot* (hence the 'UR' logo). Let's take a look at exactly how.

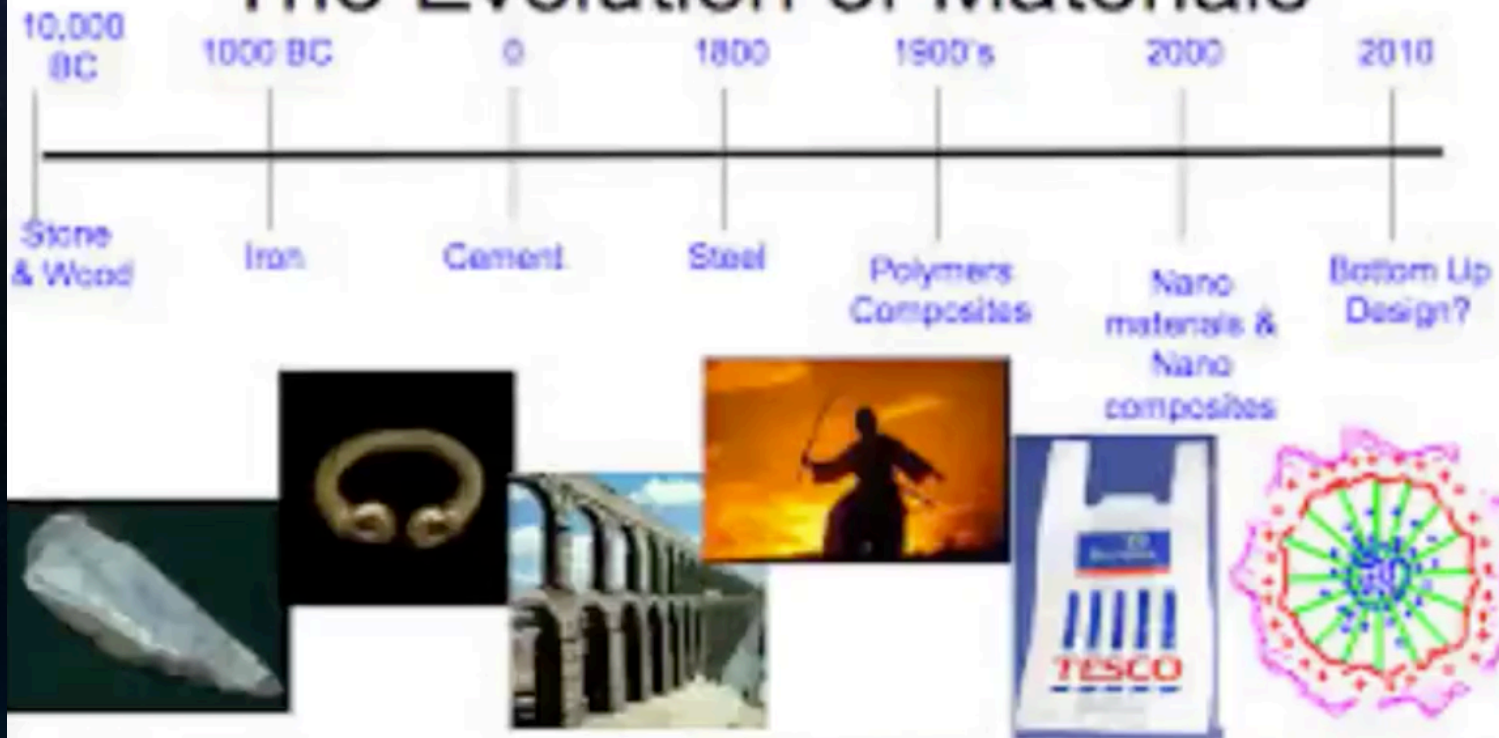

IMDB

"These are made by Hitachi. They measure only .15X.15 mm each and have GPS capabilities! Sometimes called 'smartdust' as they can be sprayed on us and absorbed or taken in foods, drinks and even injected."

PHOTO OF NANO STRANDS FOUND ON OUR UNOPENED SWAB

Case of David Adair

- David Adair - brilliant 17 year old rocket scientist building a fusion engine - captured eye of General Curtis LeMay (man, according to Mark Richards who is responsible for our base on the Moon in spite of the fact that the Reps didn't want us there)
- Taken to Area 51 (against his will) and shown alien conscious craft (like Mark Richard's MINERVA) shaped like a figure eight with plasma - fusion engine activated by David - communicated with him
- David's act of selflessness to protect the planet from "first strike mentality of our military"
- Mark Richards - another take on David's link with the BIO-AI being and destruction of his own rocket and fusion engine
